HID Post Top

SABS
ISO 9001

A Proven Post-Top for Traditional Lamp Technologies.

The SK3 HID is a classic aluminium post top developed for reliable amenity and outdoor lighting. Its recognisable profile provides a traditional aesthetic suited to parks, residential areas, office developments and public spaces while the LM6 die-cast aluminium body and high-impact acrylic diffuser provide practical durability for outdoor installations.

The platform supports a range of conventional HID and discharge lamp configurations, allowing existing installations and legacy infrastructure to be maintained where LED conversion is not required. Its removable gear arrangement and optional daylight switching provide straightforward control and servicing.

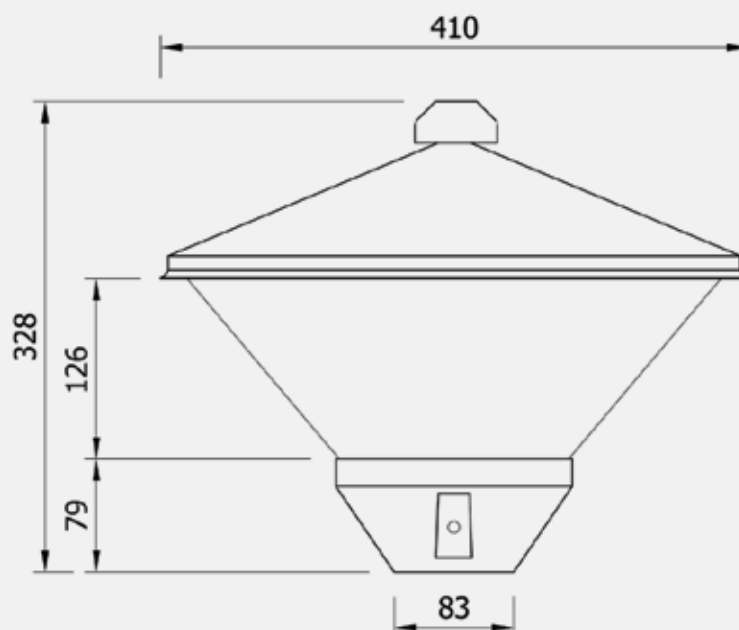

Fit-For-Purpose:

- Open car parks
- Office parks
- Residential estates
- Security lighting
- Perimeter lighting
- Public areas
- Parks & walkways
